- At the beginning of each school year, seniority will prevail in assignment within the buildings. When displacements occur, the least senior paraprofessional in the building will be displaced. when there are special circumstances that can be justified by the Special Education Director to Human Resources and the PCPA President, they must all agree before anything but seniority will decide on placement of a paraprofessional.

- A paraprofessional assigned to a specific student in one-on-one settings or with a specific program may remain with the student or program as long as the setting or level remains in place. Levels are defined as elementary, middle and high school settings.
- Administration will re-assign paraprofessionals within the building without unnecessary disruptions to the individual student or program, excluding ASD center-based assignments. A discussion and explanation will be held with the re-assigned paraprofessional.

Upon receipt of notice, an employee will have ten (10) calendar days to accept recall. The administration may temporarily fill the position in the meantime.
